Patent Examiner/AU 2813

This Office action is in response to applicant's amendment filed on 12 November 2004.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David G. Latwesen on 16 December 2004.

2. The application has been amended as follows:

In the Claims:

Cancel claims 53-54; and

In claim 55, line 2, change "nitride-containing" to --oxynitride-containing--.

3. Claims 43, 45-52, 55-57 are allowed.

Art Unit: 2813

4. The following is an examiner's statement of reasons for allowance: Applicant's arguments filed on 12 November 2004 with respect to claim 43, as amended, (see pages 7-9) have been fully considered and are persuasive. Accordingly, claims 43, 45-52, 55-57 are allowed because the prior art of record does not teach or suggest, in combination with the other claim limitations, a method of forming a transistor device that includes the step of depositing a deuterated silicon oxynitride-containing material over a gate stack and over sidewall spacers, wherein the silicon oxynitride-containing material is deposited from at least one deuterated nitrogen compound and from one or more halogenated compounds that do not contain hydrogen isotopes.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen W. Smoot whose telephone number is 571-272-1698. The examiner can normally be reached on M-F (8:00 am to 4:30 pm).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Carl Whitehead, Jr. can be reached on 571-272-1702. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
